**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Because I now have SONIC (for last 2 years), as a small business owner, my costs are lower and my service much more reliable than when I depended upon AT&T. We need more competition - not less. Price was higher for my business previously and service continuity was much more problematic. This continued service is critical to our overall organizational success.

Thank you,

Gina Hill
